Charts and Graphs of Pennsylvania Agriculture available as PowerPoint Files

The following links are Microsoft PowerPoint Presentations that describe various facets of Pennsylvania's agriculture.

They include demographics from the Census of Agriculture, which is done every 5 years, and annual statistics for major commodities grown in Pennsylvania. The slides are updated monthly to capture the latest published statistics. A reference date is shown on the bottom of each slide.

Download time? Please note that download times vary for each PowerPoint File. They can range from 10 seconds to 5 minutes depending on your computer processing speed and internet connection.

Left or Right Click? A left or right click may work better depending on the setup of your Internet software.

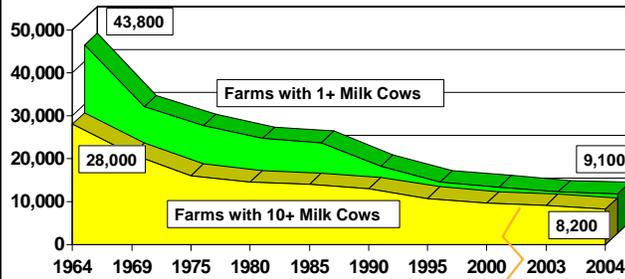

- [Dairy](#) updated Sep 2005
- [Demographics & Economics](#) updated Oct 2005
- [Field Crops](#) updated Sep 2005
- [Livestock and Poultry](#) updated Sep 2005
- [Specialty Crops](#) updated Sep 2005

From our site, click on the 'Charts & Graphs' link located on the left-hand side of the screen. Please note that download times vary for each PowerPoint File. They can range from 10 seconds to 5 minutes depending on your computer processing speed and internet connection. A left or right click may work better depending on the setup of your Internet software.

The charts include demographics from the Census of Agriculture, which is done every 5 years, and annual statistics for major commodities grown in Pennsylvania. The slides are updated monthly on our site to capture the latest published statistics. A reference date is shown on the bottom of each slide.

You can find slides available on Dairy, Demographics & Economics, Field Crops, Livestock and Poultry, and Specialty Crops. A few slides from each category are shown on the next few pages.
