¹ Apples, and apple juice, apple products, as well as other miscellaneous fruits assumed to equal the previous year; current year production data is not released until July or later.

² Other = Sugar and tropical products, minor oilseeds, essential oils, beverages other than juice, nursery and greenhouse, wine, and misc. vegetables products.

³ For production, NASS does not print some States for each commodity to avoid disclosing individual operations. Consequently, there are Other States included in each total which must be accounted for in trade.
