| <b>TOP LIVESTOCK INVENTORY ITEMS (number)</b>               |       |          |
| Horses and ponies                                           | 15    | 176      |
| Cattle and calves                                           | 5     | 135      |
| Colonies of bees                                            | 3     | 22       |

### Operator Characteristics

| Item                                      | Quantity |
|-------------------------------------------|----------|
| Primary occupation:                       |          |
| Farming                                   | 47       |
| Other                                     | 63       |
| Days worked off farm:                     |          |
| None                                      | 50       |
| Any                                       | 60       |
| Years on present farm:                    |          |
| 2 years or less                           | 4        |
| 3 to 4 years                              | -        |
| 5 to 9 years                              | 11       |
| 10 years or more                          | 95       |
| Age group:                                |          |
| Under 35 years                            | 4        |
| 35 to 44 years                            | -        |
| 45 to 64 years                            | 29       |
| 65 years and over                         | 77       |
| Average age of principal operator (years) | 67.3     |

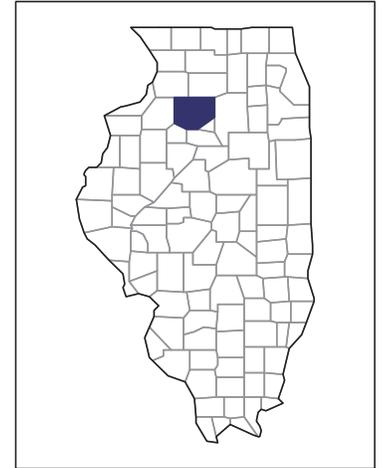

### Economic Characteristics

| Item                                                                                        | Quantity |
|---------------------------------------------------------------------------------------------|----------|
| Farms by value of sales:                                                                    |          |
| Less than \$1,000                                                                           | 57       |
| \$1,000 to \$2,499                                                                          | 7        |
| \$2,500 to \$4,999                                                                          | 3        |
| \$5,000 to \$9,999                                                                          | 2        |
| \$10,000 to \$49,999                                                                        | 12       |
| \$50,000 to \$99,999                                                                        | 11       |
| \$100,000 to \$249,999                                                                      | 9        |
| \$250,000 to \$499,999                                                                      | 5        |
| \$500,000 or more                                                                           | 4        |
| Total farm production expenses (\$1,000)                                                    | 6,385    |
| Average per farm (\$)                                                                       | 58,050   |
| Net cash farm income of operation (\$1,000)                                                 | 6,000    |
| Average per farm (\$)                                                                       | 54,545   |
| Value of agricultural products sold directly to individuals for human consumption (\$1,000) | -        |
| Total organic product sales (\$1,000)                                                       | -        |
| Total income from farm-related sources, gross before taxes and expenses (\$1,000)           | 1,533    |
