See 2017 Census of Agriculture, U.S. Summary and State Data, for complete footnotes, explanations, definitions, commodity descriptions, and methodology. *May not add to 100% due to rounding. Among counties whose rank can be displayed. Data collected for a maximum of four producers per farm. Crop commodity names may be shortened; see full names at www.nass.usda.gov/go/cropnames.pdf. Position below the line does not indicate rank. Withheld to avoid disclosing data for individual operations. (NA) Not available. (Z) Less than half of the unit shown. (-) Represents zero.
