Your answers to the questions below on milk production and dairy practices are needed to prepare reliable State and National milk production and related statistics to be published in the **July 19** Milk Production Report. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept **confidential** and used only for statistical purposes. Response is **voluntary**. However, these data are collected and published as a service to milk producers. Please complete and return this report promptly in the envelope provided or fax to 1-800-643-6885.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number is 0535-0020. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
