~ ~ ~ About the Cover ~ ~ ~

Featured on our front cover is "Heritage", taken by Emily Fry-Schutt from Attica, Indiana. This is Emily's fourth year in 4-H and she is eleven years old. This is a picture of the windmill on the Fry Farm in Benton County. Emily also took the picture featured on the back of our cover. This picture is named "Spring Break". Emily said that she took this picture at a state park while on spring break in 2007.

Emily's interest in photography comes from her mother. She stated that her grandfather was also interested in photography, and had his own darkroom that her mother used as well.

We extend a special thanks to the farmers, agri-businesses, extension officials and others who voluntarily provided basic data used to prepare the statistics presented in this publication and to the corps of enumerators who so faithfully collected much of our raw data.

We would also like to thank all of the 4-H photography members that submitted pictures for use in our publication. All of the photos were included on posters displayed at the 2007 Indiana State Fair.
