REPORTS AND DATA FROM USDA'S NATIONAL AGRICULTURAL STATISTICS SERVICE (NASS)

Internet:

Reports and data from NASS as well as the Indiana Field Office are available on the internet.

For access, choose from the following:

NASS

<http://www.nass.usda.gov/>

Today's reports will be listed on the screen. To select from other reports, click on the **More** button next to "Today's Reports from NASS". You will then be redirected to another screen to make your selections.

Indiana Field Office

http://www.nass.usda.gov/Statistics_by_State/Indiana/

Publications pertaining to data specific to Indiana can be accessed from our Home page listed above. For a list of available reports, click on **Indiana Publications**, or choose from the drop down menu below "Indiana Publications", and then click on the yellow **go** button.

Data for other States can be accessed by choosing the desired State under the **Statistics by State** button on the bottom left side of the screen.

NASS Subject Specialists:

NASS maintains a listing of subject and commodity specialists for the various program areas. From the NASS Home page, click on **Publications**, then select **Contact a Specialist** in the **I Want To....** box on the right hand side of the screen.

NASS Customer Service:

NASS operates an information center, staffed 7:30 a.m. to 4:00 p.m. ET Monday-Friday, to assist you with accessing reports and data via the Internet, or obtaining printed copies.

Please call **1-800-727-9540**.

Quick Stats Tools:

Historical County, State, and U.S. information is available on the Internet **FREE OF CHARGE**. The database uses custom extracts based on commodity, year, State, and other selection criteria to produce an output file compatible for updating databases and/or spreadsheets. The database can be accessed from the NASS Home page shown above, or any State Field Office Home page. Just click on the **Quick Stats** button and follow the instructions. Searches for U.S. and State, State and County, and the Census of Agriculture data can be queried from here.

Search Commodity Data by Keyword (Hint)

Quick Stats Lite (Beta)

Introducing our new, guided interface to the Quick Stats 2.0 database! It is designed to provide a more structured approach to help users get commonly requested statistics from our online database.

We are making further improvements to Quick Stats Lite which will be rolled out periodically over the next few months. Planned changes are: more commodities and views, enhancements to the results section, and usability features to help you easily change your selections or link you to the Quick Stats 2.0 interface which offers additional functionality. We would like to hear back from you about your experiences with this new tool as well as any suggestions for further improvements. [Please click here to provide feedback.](#)

Quick Stats 2.0

Quick Stats 2.0 is the most comprehensive tool for accessing agricultural data published by NASS. It allows you to discover exactly the information you desire, whether it is based on commodity, location, or time period. You can then visualize the data on a map, manipulate and export the results, or save a link for future use.

Data By Subject

Obtain an agricultural statistics profile for a particular subject area or commodity. Data is currently available in the following areas:

- Crops and Plants
- Economics
- Livestock and Animals

Pre-Defined Queries

Listing of requested queries that have been developed for your convenience based on their timeliness and user feedback.

E-Mail Subscriptions:

NASS Reports: Subscriptions to NASS reports are offered free through our e-mail service. From the right side of the NASS Home page, select National under **Receive reports by E-mail**. First time users will be required to set up an account. Select **Register** and follow instructions to choose the National reports you would like to receive and they will be delivered as soon as they are published.

The screenshot shows the 'E-Mail Delivery Of Reports' form on the USDA website. It includes a search bar, navigation tabs (Home, About Us, Calendar, Cornell University Mann Library, Help), and a sidebar with categories like Baseline, Commodities, Field Crops, etc. The main content area asks for an email address and password, and provides a 'Submit' button. There are also links for 'Forgot your password?' and 'Register'.

Indiana Field Office Reports: State specific reports are also available free via e-mail. From the right side of the NASS Home page, select State under the heading **Receive reports by E-mail**. Reports from all states are available with this selection. Scroll down to select the reports you want, enter your name and e-mail address, and then click on **Submit**. Or, on the right side of the Indiana Field Office Home page, select Subscribe to IN reports. This will give you only reports for Indiana. After entering your name and e-mail address, click on **Submit**. E-mail reports available through the Indiana Field Office include: All Reports, Agriculture Report, Crop-Weather, Crops and Livestock, Miscellaneous, Press Releases.

The screenshot shows the 'Subscribe to IN Reports' form on the Indiana Field Office website. It features a header for 'Indiana office of USDA's NASS' and a section titled 'Subscribe to IN Reports'. Below this, there are instructions for electronic reports, a dropdown menu to 'Select the Reports to Subscribe' (listing options like Indiana Agriculture Report, Indiana All Reports, etc.), and input fields for 'Enter your first and last name' and 'Enter your Email'. There are 'Subscribe' and 'Unsubscribe' buttons at the bottom. A sidebar on the right lists 'I Want To...' and 'More State Features'.

Once you "Subscribe", you will receive a confirmation message in your email.

The screenshot shows the 'Reports available via Email Subscription' page on the USDA website. It lists various reports from different agencies, including ERS, NASS, and WAOB. A table lists reports under the letter 'A', such as 'Acreage', 'Adult Agricultural Related Injuries', 'Agricultural Chemical Usage', etc. There are checkboxes to select reports and a 'View reports by Agricultural Marketing Service' link.

The screenshot shows the 'Publications' page on the National Agricultural Statistics Service website. It features a search bar, navigation tabs (Home, About NASS, Newsroom, Publications, Data and Statistics, Census, Surveys, Help, Contact Us), and a 'Subscription Successful' message. The message states: 'Thank you for subscribing to our state releases via email. You will receive a confirmation message shortly. You will need to confirm your subscription before any state releases will be delivered to your email account.' There are links to return to the NASS homepage and a 'Thank you for your subscription.' message.
