This report contains the results of the Cash Rents survey, conducted by Texas Field Office of USDA-NASS from February through July of 2013. We would like to thank the Texas farmers and ranchers whose response made this report possible. The table below includes estimates of state and district cash rental rates for irrigated cropland, non-irrigated cropland, and pasture based on the results of this survey. County level estimates are accessible online at the following web address: http://www.nass.usda.gov/Surveys/Guide_to_NASS_Surveys/Cash_Rents_by_County/index.asp.
