Issue 38 November 2008

Rick Kestle, Director

Released December 1, 2008

Agricultural Summary

Field work for this year within the state of Utah has virtually come to an end. The days suitable for work was 6.2 days. Livestock continue to do well.

Field Crops Summary

Cache County reports farmers are still enjoying rather pleasant weather conditions. A little fall plowing is about all that is left of farming activities. Sevier County reports rain and snow have improved conditions while Beaver County had some good storms last week but things are still quite dry.
