

## Farm Labor

The farm employment and wage rate estimates are for the week that includes the 12th of the month, which corresponds to the week specified in general employment and wage series of other Government agencies.

more during the week of the 12th. Workers paid by a crew leader or agricultural service firm hired by the farm or ranch operator are not included in the number of hired workers or wage rate statistics. A separate tabulation of these agricultural service workers is maintained for the U.S., California, and Florida.

Hired workers include family members and other workers who are paid for working on agricultural jobs for 1 hour or
