

CALIFORNIA DEPARTMENT OF  
FOOD & AGRICULTURE

Karen Ross, Secretary

July 26, 2016

TO THE PERSON ADDRESSED:

This letter is to notify you that the fee to defray the cost of the 2016 crop year Grape Crush Report and Grape Acreage Report has been established by the Secretary as required by Section 55601.6 of the Food and Agricultural Code. A copy of the order establishing these fees is on the reverse side of this letter.

The assessment fee for the 2016 marketing season, beginning July 1, 2016 and ending June 30, 2017, has been established at ten cents (\$0.10 per ton) on all grapes received in California for crushing, fresh weight equivalent. Of this assessment, six cents (\$.06) will defray the cost of preparing the Grape Crush Report; four cents (\$.04) is for preparing the Grape Acreage Report. The fee is to be paid to the California Department of Food and Agriculture (CDFA) by each processor who crushes grapes. One-half or five cents (\$.05) per ton of the fee may be deducted by the processor from monies owed to the producer. The assessment is the same as last year.

The fees for all grapes received for crushing from July 1, 2016 through December 15, 2016 are to be remitted to CDFA by the processor on or before January 10, 2017. The Grape Crush Report will also be due on January 10, 2017. The fee for all grapes received for crushing from December 16, 2016 through June 30, 2017 is to be paid on or before June 30, 2017.

Assessment forms for remitting the fees will be mailed to vintners about December 1, 2016 in time to meet the January 10 and June 30 deadlines.

The Pierce's Disease Control Program assessment fee will be one dollar and twenty-five cents (\$1.25) per one thousand dollars (\$1,000) of value. **This is an increase from last year's assessment.** There is no exemption for wineries crushing fewer than 100 tons of their own or any grower's grapes and the Pierce's Disease assessment is the responsibility of the producer. However, the purchaser and/or processor are responsible for collecting the amount owed by the producer and subsequently remitting it to CDFA. For your winery's own grapes or grapes not purchased, you are required to pay the assessment based on the previous year's value of those grapes as reported in Table 10 of the 2015 Grape Crush Report. All funds collected from growers and/or due for your own grapes will be remitted with the Grape Crush Report no later than January 10, 2017.

If you have any questions about the grape crush assessment fees or reporting times, please contact Lena Schwedler or Jennifer Van Court at (916) 498-5161, Agricultural Statistics Branch, CDFA, 650 Capitol Mall, Suite 6-100, Sacramento, CA 95814. Any questions about the Pierce's Disease Control Program and/or assessment may be referred to the Program at (916) 900-5024.

Sincerely,
