Walnut/Raisin/Prune Report – October 27

The *Walnut/Raisin/Prune Report*, originally scheduled for release on October 21, has now been rescheduled for October 27 to allow for extended data collection efforts.

As in past years, information contained in this report was supplied by handlers of walnuts, raisins, and prunes to fulfill reporting requirements of Sections 55601.7 and 55601.8 of the Food and Agricultural Code. The report includes all tonnages of walnuts, raisins and prunes that were either produced by the handler or purchased from producers.
