

2018-2019 Forecast

* All conference call releases are at 12:00 p.m., est.

Citrus Conference Call Procedures

- + Opens no earlier than 11:50 a.m.
Dial (855) 384-4184
- + Enter the Conference Access Code
6486013 followed by the # key.
- + The Chairperson will start the conference
and periodically identify it as the Florida Field Office Conference.
- + At 12:00 p.m., the USDA/NASS Representative will read the forecasted
citrus production. The Florida numbers will be read first, and the
numbers will be read for all states.
- + The Conference Call will end when the USDA/NASS Representative
finishes with the forecast and answers any questions.

We respectfully ask everyone to place their telephones on mute so all will be able to hear the entire content of the forecast. Thank you.

The home page address on the internet is: <https://www.nass.usda.gov/fl>.

To find the citrus forecasts, select CROP RELEASES and CITRUS. Select the current season option which will list the monthly reports as they become available. This page also contains a link to the reports of prior seasons.
