# Table of Contents

## General

Rank and Quantity Produced, Selected Commodities – Illinois, Leading State, and United States: 2016........... 4
Number of Farms, Land in Farms and Average Farm Size – Illinois and United States: 2007-2016 ............. 4

## Crops

Corn for Grain Area Planted and Harvested, Yield, Production, Price, and Value – Illinois: 2012-2016 ........ 5
Corn for Silage Area Harvested, Yield, and Production – Illinois: 2012-2016 .................................................. 5
Soybeans for Beans Area Planted and Harvested, Yield, Production, Price, and Value – Illinois: 2012-2016 ......................................................................................................................... 6
Sorghum for Grain Area Planted and Harvested, Yield, Production, Price, and Value – Illinois: 2012-2016 ......................................................................................................................... 7
Sorghum for Silage Area Harvested, Yield, and Production – Illinois: 2012-2016 .................................................. 7
Winter Wheat Area Planted and Harvested, Yield, Production, Price, and Value – Illinois: 2012-2016 ........ 7
Oat Area Planted and Harvested, Yield, Production, Price, and Value – Illinois: 2012-2016 ..................... 7
Alfalfa Hay Area Harvested, Yield, Production, Price, and Value – Illinois: 2012-2016 ......................... 8
Other Hay Area Harvested, Yield, Production, Price, and Value – Illinois: 2012-2016 ......................... 8
Summer Potato Area Planted and Harvested, Yield, Production, Price, and Value – Illinois: 2012-2016 .... 8
Corn Stocks by Position and Month – Illinois: 2011-2016 ............................................................................... 9
Soybean Stocks by Position and Month – Illinois: 2011-2016 ....................................................................... 10
Wheat Stocks by Position and Month – Illinois: 2011-2016 ........................................................................ 11
Sorghum Stocks by Position and Month – Illinois: 2011-2016 ................................................................. 12
Hay Stocks by Month – Illinois: 2011-2016 ............................................................................................... 13
Grain Storage Capacity by Position and Number of Off-Farm Facilities – Illinois: December 1, 2011-2016 .......................................................................................................................... 13

## Fruits & Nuts

Apple Acreage, Yield, Production, Price and Value – Illinois 2012-2016................................................................. 14
Unutilized Apple Production – Illinois: 2012-2016....................................................................................... 14
Peach Acreage, Yield, Production, Price and Value – Illinois: 2012-2016...................................................... 14

## Vegetables

Sweet Corn for Fresh Market Area Planted and Harvested, Yield, Production, Price, and Value –
Illinois: 2007-2016 .................................................................................................................................. 15
Pumpkins for Fresh Market and Processing Area Planted and Harvested, Yield, Production, Price, and
Value – Illinois: 2007-2016 ...................................................................................................................... 15

## Floriculture

## Livestock

All Cattle and Calves Production and Income – Illinois: 2012-2016 ........................................................................18
Milk Cows and Production by Month – Illinois: 2015-2016 ..................................................................................18
Hogs and Pigs Total, Breeding and Market Inventory, Farrowings, Pigs per litter, Pig crop, and Marketings – Illinois: December 1, 2007-2016 .............................................................................................................19
Market Hogs and Pigs Inventory by Weight Group – Illinois: December 1, 2007-2016 ..................................................20
Sheep and Lamb Inventory by Class – Illinois: January 1, 2008-2017 .................................................................21
Market Sheep and Lamb Inventory by Weight Group – Illinois: January 1, 2008-2017 ..................................................21
Sheep and Lambs: Lamb Crop, Farm Slaughter and Death Loss – Illinois: 2007-2016 ..................................................22
Goat Inventory – Illinois: January 1, 2008-2017 .........................................................................................................22
Honey: Number of Colonies, Yield, Production, Stocks, Price, and Value – Illinois: 2007-2016 .........................24
Layers and Eggs – Illinois: 2012-2016 ..................................................................................................................24

County Estimates

Corn Area Planted and Harvested, Yield, and Production by County – Illinois: 2016 .............................................25
Soybean Area Planted and Harvested, Yield, and Production by County – Illinois: 2016 .............................................28
Sorghum Area Planted and Harvested, Yield, and Production by County – Illinois: 2016 .............................................31
Winter Wheat Area Planted and Harvested, Yield, and Production by County – Illinois: 2016 .........................32
Oat Area Planted and Harvested, Yield, and Production by County – Illinois: 2016 .................................................35
Alfalfa Hay Area Harvested, Yield, and Production by County – Illinois: 2016 .....................................................36
Other Hay Area Harvested, Yield, and Production by County – Illinois: 2016 .....................................................38
Cattle Inventory by Class and County – Illinois: January 1, 2017 .........................................................................40
Cash Rent by Land Type and County – Illinois: 2017..................................................................................41

1 Honey producing colonies are the maximum number of colonies from which honey was taken during the year. It is possible to take honey from colonies which did not survive the entire year.

2 Stocks held by producers.

3 Value of production is equal to production multiplied by average price per pound.
