Seventeen year old Jessi Batterman from Crete, Illinois took the photograph "Happy Holstein". Her photograph is located on the bottom right corner of the front cover. She has been in 4-H for five years, but this is her first year in the photography project.

The photograph on the back cover, "American Barn", was taken by twelve year old Emma Barr from Middletown, Indiana. She has been in 4-H for three years, but this is her first year in the photography project.

We extend a special thanks to the farmers, agri-businesses, extension officials and others who voluntarily provided basic data used to prepare the statistics presented in this publication and to the corps of enumerators who so faithfully collected much of our raw data.

We would also like to thank all of the 4-H photography members that submitted pictures for use in our publication. All of the photos were included on posters displayed at the 2015 Indiana State Fair.
