

United States Department of Agriculture
National Agricultural Statistics Service
Louisiana Catfish Production Report
Released January 30, 2015

Cooperating with the Louisiana Department of Agriculture
5825 Florida Blvd · Baton Rouge, LA 70806
(225) 922-1362 · (225) 922-0744 FAX · www.nass.usda.gov

In order to avoid disclosure of individual operations, the January 2015 catfish estimates for Louisiana have been combined with other states and included at a national level. State-level estimates will not be released for that reason.
