2018 CANOLA COUNTY ESTIMATES

USDA'S National Agricultural Statistics Service has published final county-level estimates for Canola for the production years 2017 through 2018. The estimates, based primarily on surveys conducted with farmers and ranchers last fall, can be accessed using the QuickStats online database, found here: http://www.nass.usda.gov/Quick_Stats/ County-level estimates for other late season crops and hay will be published in April 2019.
