CROP PRODUCTION – JUNE 2020

MONTANA HIGHLIGHTS

Winter wheat production in Montana, based on conditions as of June 1, 2020, is forecast at 77.50 million bushels, according to the June 1 Agricultural Yield Survey conducted by the Mountain Regional Field Office of the National Agricultural Statistics Service, USDA. This forecast is down 2 percent from the May 1 forecast and 18 percent below the 95.00 million bushel crop produced last year. Estimated acreage for harvest, at 1.55 million acres, is unchanged from May 1 and 350,000 acres less than the 1.90 million acres harvested in 2019. If realized, this will be the lowest winter wheat harvested acreage since 1948 when 1.549 million acres were harvested. As of June 1, the average yield is forecast at 50.0 bushels per acre, 1.0 bushel per acre below the May 1 forecast and equal to last year’s final yield. If realized, this will tie the record winter wheat yield for Montana of 50.0 bushels per acre set in 2018 and 2019.

As of May 31, Montana’s winter wheat crop condition was rated 3 percent very poor, 4 percent poor, 13 percent fair, 60 percent good, and 20 percent excellent, compared with 1 percent very poor, 2 percent poor, 10 percent fair, 48 percent good, and 39 percent excellent last year.

UNITED STATES HIGHLIGHTS

Winter wheat production is forecast at 1.27 billion bushels, up 1 percent from the May 1 forecast but down 3 percent from 2019. As of June 1, the United States yield is forecast at 52.1 bushels per acre, up 0.4 bushel from last month but down 1.5 bushels from last year’s average yield of 53.6 bushels per acre.

Hard Red Winter production, at 743 million bushels, is up 1 percent from last month. Soft Red Winter, at 297 million bushels, is down slightly from the May forecast. White Winter, at 225 million bushels, is up 1 percent from last month. Of the White Winter production, 16.6 million bushels are Hard White and 209 million bushels are Soft White.

Production of Durum wheat in Arizona and California is forecast at a collective 7.17 million bushels, up 12 percent from last month and up 26 percent from last year.
