

## Discontinuation Notification

This publication has been discontinued as of March 1, 2013. However, these official statistics will continue and are available by accessing our online database, called Quick Stats, [http://www.nass.usda.gov/Quick\\_Stats/index.php](http://www.nass.usda.gov/Quick_Stats/index.php). Or, you can find these data in our national publications at <http://www.nass.usda.gov/Publications/index.asp>.

If you need assistance, please contact the Nebraska Field Office of USDA NASS at (800) 582-6443.
