NEW ENGLAND REPORTS AVAILABLE FROM
New England Agricultural Statistics, NASS, USDA -- Concord, NH

These reports include New England statistics taken from National publications. Although National reports are the most timely sources of statistics, New England reports may have more local information about crop conditions, etc. New England reports are available through e-mail and the Internet at no charge. See USDA Agricultural Publications/Customer Service for details. Electronic access to these reports is encouraged, but paper publications are still FREE to New England farmers, agribusinesses, news media, government, and educational institutions. Others must pay a user fee as described below.
