

REPORTS AVAILABLE FROM NEW YORK AGRICULTURAL STATISTICS SERVICE

Reports are available on New York agriculture from three different sources; Paper Reports, E-Mail Subscriptions, and our Web Page.

Internet

National crop and livestock reports are available from the National Agricultural Statistics Service, the World Agricultural Outlook Board and the Economic Research Service. For further information on National reports call 800-727-9540 or write via e-mail to nass@nass.usda.gov.

State and National reports are accessible on the Internet at the following locations:

1. New York NASS website:
www.nass.usda.gov/ny
2. U.S. NASS website:
www.nass.usda.gov
3. USDA Economic Research Service website:
www.ers.usda.gov

E-Mail

Free e-mail subscriptions are available for the reports listed below.

For free electronic subscriptions, follow these instructions:

1. **Log onto the following internet web site:**
www.nass.usda.gov/ny
2. **At this location, click on "Subscribe to NY Reports"**
3. **Follow the instructions that appear on the screen.**

Following are a few reports available through e-mail subscription

New York All Reports e-mail

Multiple reports including the "New York Crop and Livestock." A comprehensive monthly report summarizing current commodity statistics including milk and egg production, crop acreage and production, livestock and poultry inventories, farm labor, honey, and agricultural prices.

New York Crop Weather e-mail

Follows crop progress, temperature and precipitation, issued every Tuesday from late April until early October.

New York Press e-mail

Special press releases discussing survey results and announcing upcoming surveys, unscheduled intermittently throughout each month.

Paper, Internet or E-mail Subscriptions

To receive e-mail reports please follow instructions to the left. To receive paper reports, please check the reports desired, and complete your name and address on the reverse side, and return this form to:
