Rainfall was near normal for the period with .30-.50" across the Jackson and Swain Counties. Temperatures were slightly below normal with highs from 50-60 and lows 25-32. Hard Freeze the weekend of November 9th/10th

Robert Hawk – Jackson/Swain County Extension

Dry conditions still many soybeans in the field dry conditions. Wheat planting is not complete. Hay already very short.

Gary Cross – Person County Extension

Crop harvest is coming to completion. Field work has begun.

Daniel Simpson – Pamlico County Extension

Harvest of cotton and soybean continues. Both yielding better than average. It is possible to finish harvest with 7-10 days of cooperating weather.

Mike Carroll – Craven County Extension

Crop information in this report is provided voluntarily by county officials of the Cooperative Extension Service, FSA, NRCS, and other knowledgeable individuals.
