State Total	360,000	295,000	110.0	32,450,000

¹ In keeping with NASS policy, only those counties and/or districts are published where sufficient reports were received. Counties with fewer than 500 total planted acres or 300 total harvested acres are combined under *Other Counties*. In some cases a county with more than 500 planted acres is combined with a smaller county to prevent disclosure.
