Welcome to the 2016 issue of the Annual Dairy Review!

This publication is a compilation of related reports issued by USDA's National Agricultural Statistics Service (NASS) in an effort to provide a complete source of statistics relevant to the dairy industry. Though many of the statistics in this publication can be accessed through our website (www.nass.usda.gov/Publications), this Oklahoma Field Office summary will be issued annually following the release of the USDA-NASS Milk Production, Disposition, and Income annual summary, and the annual Dairy Products summary. Please feel free to contact our office with any comments or questions you may have. I hope you find this information useful!
