

June Acreage Report

Southern Plains Regional Field Office · Post Office Box 70, Austin, Texas 78767 · 800-626-3142 · www.nass.usda.gov

Cooperating with the Oklahoma Department of Agriculture, Food and Forestry and Texas Department of Agriculture

June 28, 2019

Contact: [Paul Kappler](#) or [Betty Johnson](#)

The June acreage estimates in this report are based primarily on surveys conducted the first two weeks of June. These surveys are based on a probability area frame survey with a sample of approximately 1,300 segments or parcels of land (average approximately 1 square mile) in the Southern Plains region and a list probability sample of over 6,600 farm operators. Enumerators contact farmers and ranchers in the segments in person, while a mix of mail, telephone, and internet is used to collect data from the list survey sample.

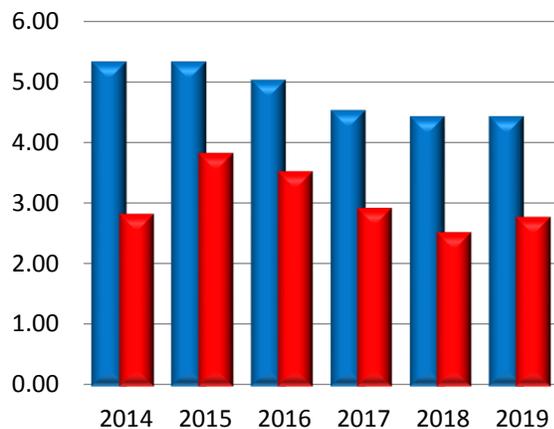

Data provided by Oklahoma and Texas operators are the foundation of the estimates made for the Southern Plains region. The Southern Plains Regional Field Office would like to thank all farmers and ranchers that responded to these surveys and provided data used to set these important estimates.

WINTER WHEAT

Oklahoma winter wheat planted, at 4.40 million acres, is unchanged from a year ago. Harvested acreage, at 2.75 million, is up 10 percent from last year's crop.

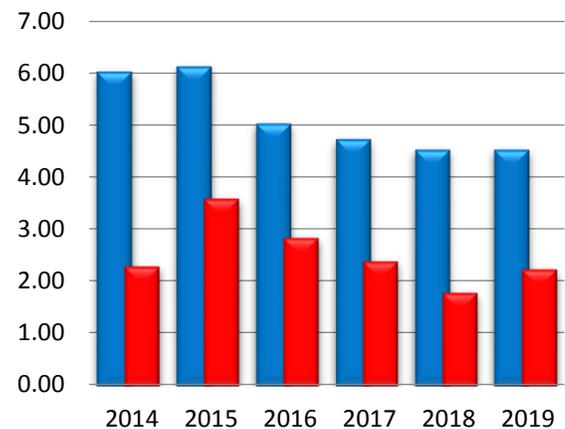

Texas winter wheat planted, at 4.50 million acres, is unchanged from a year ago. Harvested acreage, at 2.20 million, is up 26 percent from a year ago.

■ Planted (million ac) ■ Harvested (million ac)

Texas

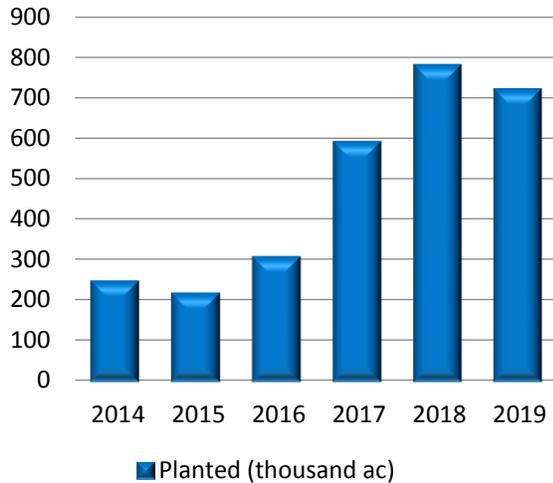

■ Planted (million ac) ■ Harvested (million ac)

UPLAND COTTON

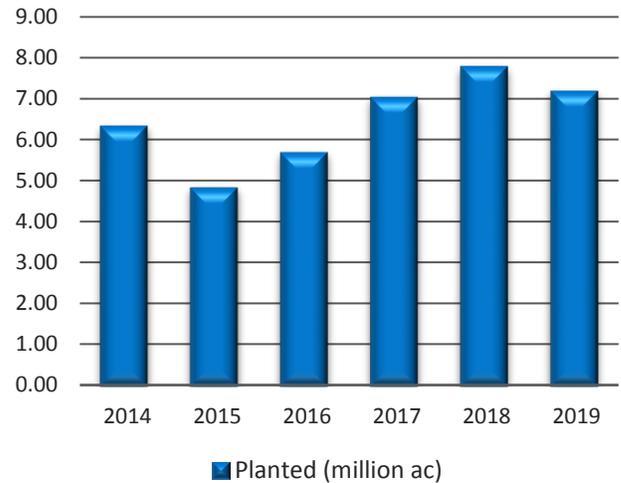

Oklahoma upland cotton is forecast at 720 thousand acres, down 8 percent from last year.

Texas upland cotton is forecast at 7.15 million acres, down 8 percent from last year. Planting of pima cotton is expected to total 17.0 thousand acres, down 6 percent from 2018.

Oklahoma

Texas

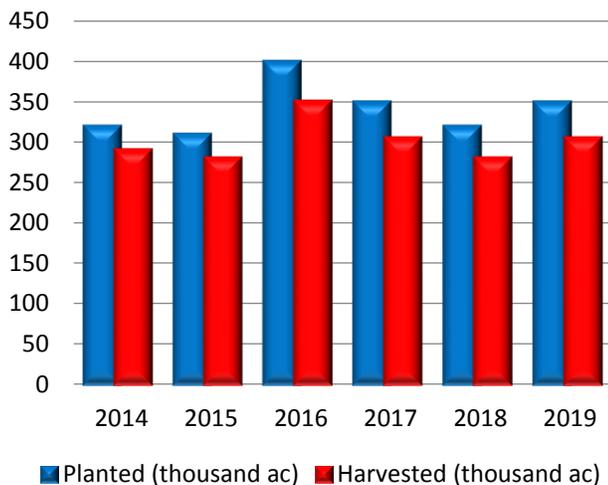

CORN

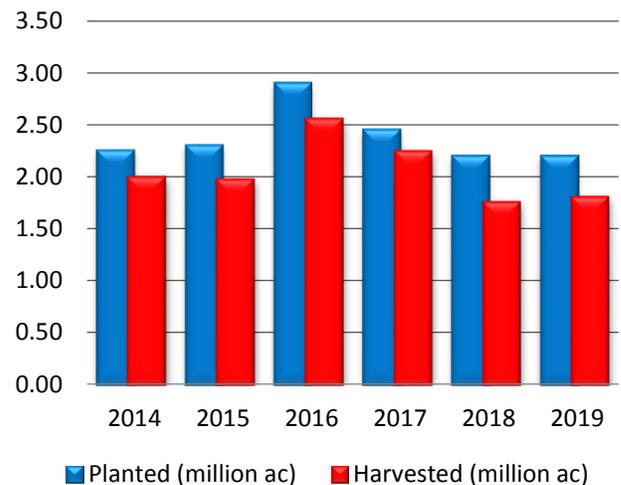

Oklahoma corn growers intend to plant 350 thousand acres, up 9 percent from last year. Harvested acreage, at 305 thousand acres, is up 9 percent from last year.

Texas corn growers intend to plant 2.20 million acres, unchanged from last year. Harvested acreage, at 1.80 million acres, is up 3 percent from last year.

Oklahoma

Texas

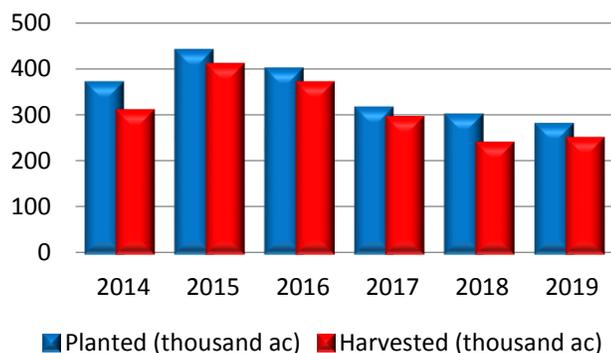

SORGHUM

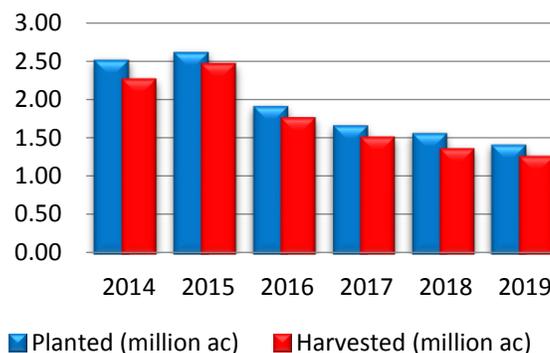

Oklahoma sorghum producers intend to plant 280 thousand acres, down 7 percent from a year ago. Producers expect to harvest 250 thousand acres, up 4 percent from 2018.

Texas sorghum producers intend to plant 1.40 million acres, down 10 percent from a year ago. Producers expect to harvest 1.25 million acres, down 7 percent from 2018.
