2017 Census of Agriculture Specialty Crops Data Now Available Online

The specialty crops data shows selected 2017 Census of Agriculture statistics about specialty crops defined as “fruits and vegetables, tree nuts, dried fruits, and horticulture and nursery crops (including floriculture).” Eligible plants must be cultivated or managed and used by people for food, medicinal purposes, and/or aesthetic gratification to be considered specialty crops.

The data are available online in PDF format and may be accessed directly from the following link:

https://www.nass.usda.gov/Publications/AgCensus/2017/Online_Resources/Specialty_Crops/SCROPS.pdf

If you have any questions regarding the specialty crops data, please contact the Northwest Regional Field Office at nassrfonwr@usda.gov or 1-800-435-5883.

Access to NASS Reports

For your convenience, you may access NASS reports and products the following ways:

- All reports are available electronically, at no cost, on the NASS web site <http://www.nass.usda.gov>
- Both national and state specific reports are available via a free e-mail subscription. To set-up this free subscription, visit <http://www.nass.usda.gov>. Hover over the “Publications” drop down. Under "Receive reports by Email" section in the lower right corner, select the report(s) you would like to receive.

For more information on NASS surveys and reports, call the NASS Agricultural Statistics Hotline at (800) 727-9540, 7:30 a.m. to 4:00 p.m. ET, or e-mail: nass@usda.gov.
