Other greenhouse and nursery	228,945	228,890	130,844	141,070	141,070	141,070
Mushrooms, agaricus	385,673	385,891	407,417	446,476	456,581	462,161

NA = not available. ¹ USDA estimates and publishes individual cash receipt values only for major commodities and major producing States. The U.S. receipts for individual commodities, computed as the sum of the reported States, may understate the value of sales for some commodities, with the balance included in the appropriate category labeled "other" or "miscellaneous." The degree of underestimation in some of the minor commodities can be substantial. **Source: USDA, Economic Research Service.**
