

A Look at

Pennsylvania

Agriculture

Dear Boys and Girls,

We are grateful to our Pennsylvania farmers and their families for the food they provide and the wholesome milk we drink.

We hope you enjoy playing the games and coloring the pictures in this booklet.

How can I get more of this Activity Book?

Due to budget limitations, multiple copies of this Activity Book are not available from our office. The book is NOT copyrighted and you are welcome to make copies as needed. It is also available from our website at www.nass.usda.gov/pa where you can print selected pages or the entire book.
