This report contains information on average prices and values of production for major field crops and many specialty crops. All prices in this report are marketing year average (MYA) prices, which are based on sales in the months comprising each state's marketing year. State value of production is computed by multiplying each state's price by its production.

(NA) Not available.

<sup>1</sup> The 2020 total value of production includes an estimated value of production for sugarcane for sugar and seed which is computed using 2019 prices.

<sup>2</sup> Preliminary.

<sup>3</sup> Based on marketings and monthly prices received from August 1, 2020 - December 31, 2020.

<sup>4</sup> The preliminary 2020 value of production will be published in [Agricultural Prices](#) released July 2021.

<sup>5</sup> State totals may not add due to select crops only included in the table.
