24	Beans, Snap	880	0.0	95.2	0.2	514,807
	Government Payments 3/	110,159			1.04	10,635,118
	Net Farm income 4/	734,915			0.65	113,813,381

1/ The Cumulative percentage is the sum of the percent of total receipts for each commodity and all preceding commodities.

2/ Percent State receipts are of U.S. receipts for same line item.

3/ Government payments made directly to farmers in cash or payment-in-kind.

4/ Net farm income, a value of production measure, is the farm operator's share of the sector's net value added to the National economy from production activities within a calendar year.
