## NASDA-Agricultural Field Representative

Farmers, ranchers and others in agriculture require reliable information on production, supplies, marketing, prices, weather and a vast array of other inputs. The National Association of State Departments of Agriculture (NASDA) is accepting applications for the position of Field Representative for locations in the Dakotas and Minnesota. The successful candidate will be a self-motivated individual with strong inter-personal skills and an attention to detail. An agricultural background

is helpful but not required.
