Issue 36 Week Ending November 16, 2008

Rick Kestle, Director

Released November 17, 2008

Agricultural Summary

The days suitable for field work 6.7 days. Farmers are almost done with all field activities for year.

Field Crops Summary

Cache County reports farmers are doing some plowing and manure hauling. Winter wheat is looking better after the storms that came last week and the week before. Sevier County reports farmers continue tilling fields for next season plantings.

Livestock Summary

Cache County reports ranchers are still enjoying good fall grazing with their cows, thus saving valuable hay for the cold winter months. Duchesne County reports producers are shipping calves.
