

Committee on Women in Statistics
International Statistical Institute
Wednesday, 6 April 2005; 11:15 to 12:50
Sydney, Australia

- 1. Committee Members**
 - a. Current: Cynthia Z.F. Clark, Beverley Carlson, Martha Farrar (webmaster), Lamine Diop, Dennis Trewin, Fred Vogel
 - b. Nominations for new committee members
- 2. 2004 Annual Report on CWS website.**
- 3. Website Changes/Development.** Plans are to expand the website to show a map that provides contact information on country/regional representatives and links to country/regional reports. This is currently in development.
- 4. Country and Regional Representatives.** The committee is seeking individuals to serve in this capacity. They will assist in networking among women statisticians in their country, encourage nominations of women as members of ISI, and report on activities of interest to women statisticians.
- 5. Initiative to Increase female members of ISI.** The committee is continuing its initiative to increase female members. This is primarily facilitated by the committee members, the country and regional representatives, and liaison with the ISI Sections.
- 6. 2005 CWS/ISI Invited Paper Session 74:** Saturday, 9 April; 9:00 a.m. – 11:15 a.m. See report on website of session.
- 7. Invite Proposals for 2007 Committee Sponsored Invited Session.** The committee developed a proposal for an invited session at the 2007 ISI. The session will be titled “Indicators of the Status of Women and Children”. The session was accepted by the ISI 2007 Program Committee.
